WHO AM I?

I am a Graphic Designer/ Illustrator with a proven track record for finding simplicity in complexity. In just over 4 years I have worked with some of the worlds biggest companies for example SAP, National Grid, Ørsted, Samsonite and Callaway. I have also supported smaller sized companies like Tamper Coffee & Black Label Grooming. In addition I have been building an online following of over 170,000 with my daily illustrations. I have achieved a lot in a short time and am ready for my next challenge.
